

INT. FIRST NATIONAL BANK - LOBBY - DAY

A long line of people, listening to "Crazy in Love" playing on a tinny boombox behind the counter, waiting to see the tellers.

AWKWAFINA clicks at her keyboard, then takes a sip of Throat Coat tea from a WORLD'S BEST AUNT MUG. She nods to the teller next to her, CAROL.

AWKWAFINA
(to Carol)
Throat Coat's helping, Carol.
Thanks.
(to customers)
Next in line!

MICHAEL KEATON bursts through the doors with two other BANK ROBBERS, all wearing DORA THE EXPLORER-THEMED MASKS. He pulls a gun from his waistband and FIRES into the air.

Michael Keaton walks around the line, and steps in front of the next customer.

KEATON
(to customer)
Sorry. This'll only take a second.
(to Awkwafina)
Hi! This is a robbery.

AWKWAFINA
Subtle. Almost missed that.

Michael Keaton drops a duffel bag on the counter.

AWKWAFINA
What, no backpack, Dora?

KEATON
I'll remember that for next time.
Just put the money in here.

Awkwafina eyes the gun in his hand. She coughs.

AWKWAFINA
(coughing)
Sorry.

KEATON
(sarcastically)
That's alright. No rush.

She reaches for the mug.

Keaton leans in, pointing the gun at her.

KEATON

Easy, there.

Awkwafina slowly picks up the mug, trying to contain her hacking. She starts to take a sip.

KEATON

Is this going to take --

She coughs into the mug, SPUTTERING AND SPRAYING TEA. Keaton flinches back to avoid the splash back, when --

SLAM. The mug collides with his face, cracking open and spilling tea.

KEATON

AUGH!

Still clutching the broken mug handle, she SLAMS the jagged edge into his wrist. Keaton HOWLS, DROPPING THE GUN ON THE COUNTER.

Awkwafina drops the mug handle and lunges for the gun.

The other bank robbers turn, raising their guns.

Too late -- Awkwafina FIRES. All on target -- Three shots. Three dead robbers.

She PISTOL WHIPS Michael Keaton. He drops. Hard.

AWKWAFINA

Swiper, no swiping.

She sets the gun down and takes a deep breath. Looks over at Carol.

Carol locks eyes with Awkwafina as she slowly reaches over for the alarm button.

AWKWAFINA

Sorry, Carol. I can get you a new mug.
